

The image is a collage of various steel products. At the top, there are two horizontal strips: the left one shows a stack of dark grey pipes, and the right one shows a grid of red-painted square steel bars. Below these is a large dark blue banner with white text. Under the banner, the left side features a large image of stacked grey pipes, and the right side shows a close-up of the red square bars. The bottom left corner is a close-up of the ends of several large pipes with red-painted rims. The bottom right corner shows a perspective view of many pipes stacked in a long row, receding into the distance under a blue sky.

Marmon/Keystone *delivers!*

Tube Pipe Bar

A Marmon | Berkshire Hathaway Company

The *Metals* you need with the *Service* you trust

Carbon Mechanical Tubing	ASTM
Hot Rolled Electric Weld	A513T1
